Optimum Dental Wellness Plan

Terms and Conditions

The Optimum Dental Wellness Plan is not insurance. It only provides discounts on a variety of your dental needs. It's a special program offered by Greystone Smile Design that helps individuals and their families save on dental care. Not all dental services are covered. The plan covers regular cleanings (Type I on the Healthy Gums Program). If more than a regular cleaning is needed, such as periodontal treatment (Type II – V on the Healthy Gums Program), the patient is responsible for the cost which is 30% off regular office fees.

This is a 1 year contract. After 1 year, your Wellness Plan Benefits must be renewed or your respective plan membership will be automatically terminated.

The office fee schedule is subject to change. The 30% off includes all treatment cost, but does not include prices on bleaching, snore appliances, veneers, or any special offer price. Also not included are retail items such as power toothbrushes, Clinpro toothpaste, MI Paste, etc. Dr. Dudney does not participate in the Optimum Dental Wellness Plan and his fees remain as is. Also, if you are referred to a specialist, you are subject to their fee schedule.

Payment for the Optimum Dental Wellness plan is either in full upon joining or monthly by credit card. If dental treatment is needed, payment is either in full at the time of service or paid through Care Credit or Chase Health Advance (3rd party financing companies) upon approval. Note: No third party financing is accepted for the initial payment – this is either in full or monthly by credit card. If monthly credit card payments become delinquent, your plan will be suspended until payment is received. Third party financing is only available for treatment costs, and a 12% interest rate will be added to treatment costs less than \$1,000 if third party financing is used.

I have read the terms and conditions and I understand them to the full extent. I have been given the opportunity to ask questions. By signing below, I agree to the 1 year Optimum Dental Wellness Plan.
